

Parental Restrictions

Parental restrictions are offered as a tool to help control your student's spending. Written requests are required and will remain on the account as long as the student remains at this school or until a written request for a change is received. **Dollar amount is the only restriction offered. We cannot limit any single items.**

Some choices are:

- Meal only (breakfast and/or lunch only)
- Meal plus dollar limit (meal plus \$1/daily)
- Straight dollar limit for the day (\$4.00)

Parental restrictions cannot be lifted on a daily bases and the **cashier cannot override restrictions at register**. This can only be done in writing. For example, if you send a note stating that your child may purchase a cookie today – this would result in lifting any restrictions placed on this account. Please remember that if you have restrictions on your account and you come to eat with your child, the system will not allow us to charge your child's account.

Please remember than all restrictions must be in writing or via email.

Thank you and I look forward to working with you this year.
