JCE is currently in the second round of Discovery Education for progress monitoring. Teachers will use the data to aid in the growth of each student.

The Jaguar Challenge fundraising is going well. We have great events coming up to celebrate our school and our success. The Family Fun Run will be Thursday November 10th at 5 p.m. We also have our Jaguar Challenge Run for students during the school day. Thank you for supporting JCE!

Food Drives are taking place to help with our community members in need for the holidays. The food drive ends of November 18th. Please consider supporting this worthy cause.

Old Business:

Mrs. Pierce revisited the Minecraft Club request that was presented earlier this school year. The qualifications and funding have changed. The program will begin in January. Mrs. Pierce is requesting an additional fifty dollars to implement the program with the fifth grade

students involved in the club. There was a motion to approve the request for an additional fifty dollars to fund the program. The motion was seconded and approved by the SAC members in attendance.

New Business:

Mrs. Foster shared that the usage of IXL is already very strong. In a two week time frame, students have spent over two hundred sixty-seven minutes in math and over one hundred and forty-six minutes in language arts. Thank you to SAC for approving this request that has a direct impact on student achievement.

The meeting was adjourned at 3:56 p.m. by Mrs. Foster. The next SAC meeting will take place in the media center on Tuesday December 13th at 3:30 pm.

Respectfully Submitted,
