

JULINGTON CREEK ELEMENTARY

Annual **HOLIDAY** **GIVING DRIVE**

TO BENEFIT
ST. AUGUSTINE YOUTH SERVICES

St. Augustine Youth Services (SAYS) is a therapeutic residential group home for boys, ages 6-17, many of whom have been victims of abuse and/or neglect. Nearly 30 boys live on campus and attend SJC public schools. SAYS also coordinates the countywide Mobile Crisis Response Team (MCRT) to address youth in crisis. SAYS Licensed Mental Health Therapists (LMHT) answer hotline calls and determine the best course of action to keep the child safe. Many of these distress calls derive from schools on the north end of SJC.¹
