Hello JCE students and families,

We hope you and your family are well and staying healthy during this time. While we transition to online/distance learning for the next couple of weeks, we want you to remember that we are here to support you and your family the best we can. During this time, we will be providing families with some resources. The resources will vary in topics and are age appropriate. These are available to parents through Schoology.

For check-ins and online counseling chats, we will be available through **Schoology Conference** during the following times: **10:00am-1:00pm**.

You can email one of us with the date and times that work for you. These will be 15-minute chats. The following are ways you can contact us:

Email: Ruth.Milite@stjohns.k12.fl.us Rachel.McDonald@stjohns.k12.fl.us

Google Voice Phone: Ruth Milite: (904)-290-6858 Rachel McDonald: (904)-290-3849

Schoology: Access Code: DNX4-WNZ3-TKSDX

Our office hours are 8:00am-3:30 pm. It is important to continue building your child's emotional health and help keep your child focused on some good and positive things in life.

Please do not hesitate to contact us if your child needs help or support during this time. As School Counselors, we care about your child's well-being and please know that we are here to help in any way we can.

Thank you,

Ruth Milite & Rachel McDonald
