

APRIL 2021

THE JULINGTON CREEK JAG JOURNAL

PRINCIPAL'S CORNER

Hello JCE Families,

This past weekend I began to reflect and think about where we were one year ago. I found the pictures below and was overwhelmed with feelings of gratitude and even a little relief that this was mostly behind us. In 2020, our staff packed up rooms at a moment's notice and embraced a new way of teaching and communicating. Our families (YOU) were extremely patient and grateful. We most certainly felt the LOVE. Here we are in April 2021 where students are able to socialize in class once again, participate in after school activities and many have started planning their summer vacations or camps. WOW!!! We are most definitely getting there.

A big shout out to our Distance Learning students and families. This has been a year to remember where you all, our amazing Distance Learning Community, have also experienced a new way of learning and communicating. You have been consistent and supportive!! Thank you for the work you do every day, creating a learning environment for your students and supporting their growth.

On a completely different note, testing is around the corner. Our students and teachers have been working very hard all year. Below are the FSA testing dates for JCE. Soon, your teacher will send you iReady dates for K-3.
