

APRIL 2023

THE JULINGTON CREEK JAG JOURNAL

PRINCIPAL'S CORNER

Hello JCE Families,

Happy spring everyone!!! This is our most favorite season. Last month we were able to journey out and use our outdoor classroom with our Creekside High School friends. They partnered up with our 1st graders and focused on lessons surrounding our environment and National Water Day. Congratulations to JCE's Battle of the Books team and their coach Mrs. Clarke!!! The team placed 1st representing the northern part of the district. This is a huge win. Way to go!!!!

Testing is around the corner. Our students and teachers have been working very hard all year. Teachers will be reaching out, if they haven't done so already, with specific testing dates for their class.

We have a few JCE events coming up:

- April 7 & 10: No School
- April 11: SAC Meeting 3:30
- April 13: Chorus & Band Spring Concert

Managing your student's account can be easy by using Paypams.com. If you wish to have restrictions on your student's account, please email the cafeteria manager.

Please contact Teresa Butrimas, JCE Cafe Manager, at 547-8000, if you have any cafeteria-related questions.

If your student has medication at the school there will be a sign up genius sent out to sign up for a time to pick up meds during the last 2 days of school. Next year's forms will be placed on the clinic website in late May so that they can be completed over the summer and ready for next school year. All meds and treatments must be renewed and have new orders to be valid for the upcoming school year. Thank you!

The JCE STEM Lab would love your donations! Does your child have building toys that they have grown out of? Consider donating them to the STEM lab so they can be used for many years to come! If you have any questions please contact Mrs. Pierce at Lara.Pierce@stjohns.k12.fl.us
Examples: Legos, Blocks, Duplo Legos, Marble runs, hot wheel tracks, magnetic blocks, robotics, Knex, etc...
All donations can be left in the front office or sent via your child to the STEM lab. Thank you for helping us build the BEST STEM Lab!
