### MARCH 2024 THE JULINGTON CREEK JAG JOURNAL

Hello and Happy March! We have had such a fun month of February here at JCE. Thank you to parents for showing so much love and caring to our teachers and staff through providing a homemade soup lunch for the Super Bowl, and for creating huge Valentine hearts for all of our adults on campus. It was so touching to see the beautiful sentiments expressed to our team that pours love into our students every single day.

A couple of housekeeping items for your information as we move into a new month. We have been displaying all the lost and found jackets in the main hallway for students to view as they walk through the building. Many of these items have been claimed. However, it is a revolving door with more jackets added daily. We will continue to try and match students with clothing items until spring break, when any leftover items will be donated.

One last item that I would like to bring to your attention is our annual SAC (School Advisory Council) Needs Assessment Survey. We are looking for your input and feedback to drive our School Improvement process for next year. Thank you for taking the time to fill this out: <u>https://surveys.stjohns.k12.fl.us/TakeSurvey.aspx?SurveyID=l8MJ5n92</u>

Thank you for your continued support every single day. Wishing everyone a lovely month ahead.

Sincerely,

Dr. Reichenberg

Hello JCE Families,

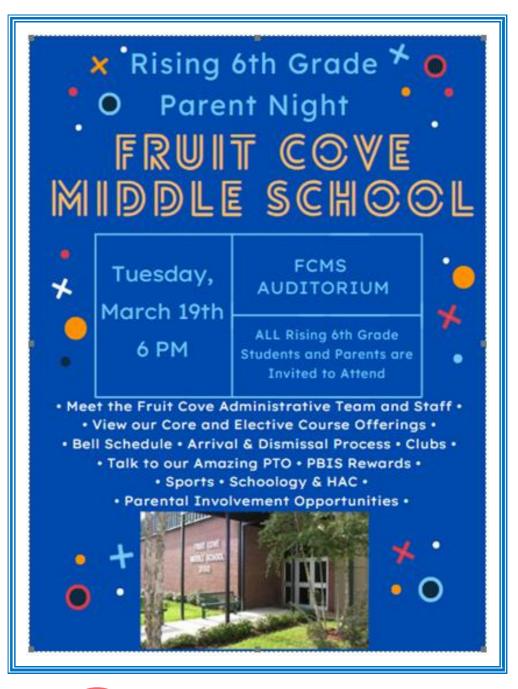

The time of year has come to complete the School Advisory Council (SAC) survey. Please use the link below to access the survey (this should take no more than 5 minutes). The results are very valuable, as they are used when completing the School Improvement Plan for next year. All responses are anonymous.

Thank you in advance for taking the time to complete the survey:)

As a friendly reminder: Our carline begins at 7:50a. We have had some large gaps in carline during the morning between the start of carline and 8:05a. This is a great time to come to school because there is NO WAIT!! Students are expected to be in their classrooms ready to learn at 8:25a. Thank you!
