THE JULINGTON CREEK JAG JOURNAL

PRINCIPAL'S CORNER

Greetings Families,

I can hardly believe that this is the last newsletter we are putting together for this school year! It has been a year of many happy times, some challenges, but always with a great spirit of collaboration and partnership.

Just a few updates for the upcoming month. We still have several end of year tests for our 3rd, 4th and 5th grade students. Please read communication from your child's teacher to know when those critical days are for attendance.

We have several tables of lost and found jackets on display in our hallway toward the cafeteria. Please remind your child to take a look at these items if they are missing anything. Unclaimed items will be donated after the last day of school.

There will be many celebrations and activities throughout this month. If you are planning to visit the school in any capacity, PLEASE make sure you have completed the volunteer clearance form. You can access this at: <https://stjohns.keepntrack.com/apply/>

Finally, if you are wanting to submit your input for class placement next year, please submit your parent input form by May 10th. Paper copies of the form can be sent to the front office, or you can email to jces@stjohns.k12.fl.us

**The form can be found on the JCES website: <https://www-jce.stjohns.k12.fl.us/>
Thank you so much for a fantastic first year together at JCE! I am so honored and blessed to work with such an amazing group of students, staff and families!**

Wishing you all a lovely month of May.

**Sincerely,
Dr. Reichenberg**

From the Front Office:

School Access: As a reminder, in order to enter the school for any reason (class party, conference, volunteering, etc..) or attend a field trip, all visitors must be approved through St. Johns County School District. If you have not done so already, please make sure to fill out the attached form below ASAP. The approval is good for three years. Please share with your family members as grandparents many times like to participate in these types of events. This information is also posted on our website.

Positive and negative account balances follow the student throughout the county.

If a student is moving outside the district, they need to get in touch via email to Jessica.McQuaig@stjohns.k12.fl.us in the food service department with the district. They need to provide a physical address so that a check may be cut and sent to the guardian. All requests must be in written form.

NOTES FROM THE FRONT OFFICE!
