

Julington Creek Elementary
School Advisory Council Meeting
Tuesday November 13, 2018

Call to Order: Mrs. Gilbert welcomed everyone to the October SAC meeting and called the meeting to order at 3: 34 p.m.

Members in Attendance: Amy Grimm; Lindy Birkelbach; Jeanette Murphy; Kerry Conover; Cathy Apolinario; Wendy Gilbert; Kaly Weinberg; Kristal LaBelle; Linda Piscatella; Stephanie MacAvoy

Guests in Attendance:

SAC Minutes: The minutes from the October meeting were read and approved as written with no changes made.

Treasurer's Report: The current balance in our SAC account is \$4,059.36.

Principal's Report:

Mrs. Murphy welcomed everyone to the November SAC meeting. Mrs. Murphy shared that JCE has been approved for covering over the parent pick up line to the end of the sidewalk. Moving forward, front doors will be locked. The current system is being redone and key cards will be used to enter through the locked doors.

I-Ready testing will be administered again to all students in December. Teachers and staff will use this data to aid in increasing student achievement.

The Fruit Cove Middle School Band will be performing at JCE on Tuesday November 20th.

Mrs. Murphy trained the SAC members on how we work together as a staff to meet the goals of each student. Teachers and staff can request funding for approval through the SAC committee.

Old Business:

Mrs. Gilbert reviewed our JCE Bylaws. Our SAC team made some changes in our previous SAC meeting. Mrs. Gilbert shared the new bylaws that were voted and approved up by the SAC committee. The current, updated Bylaws were shared with the SAC committee and will be posted on the SAC website as well as located in the JCE main office.

New Business:

STEM Lab Request: Mrs. Pierce, our STEM teacher, shared her job description as she serves at JCE. Mrs. Pierce shared many of the materials that she uses to enhance her curriculum. Mrs. Pierce has done lots of research on items that make an impact in the STEM lab. Parents have also donated items that have made an impact on her program. Mrs. Pierce was visited by the district and they are in support of the STEM program at JCE as well. Mrs. Pierce is requesting that SAC fund the purchase of an Aver Board. We have other teachers at JCE that are piloting the use of Aver Boards in their classroom. Mrs. Apolinario made a motion to purchase an Aver Board for the STEM lab at \$3,300. Mrs. Piscatella seconded the motion and it was approved by the SAC members in attendance. Thank you for your support of our learning at JCE.

Request for funding for tutoring: This item has been removed from the agenda and is no longer needed.

The meeting was adjourned at 3:54 p.m. by Mrs. Gilbert. The next SAC meeting will take place in the media center on Tuesday, December 11, 2018 at 3:30 p.m.

Respectfully Submitted,

Amy Grimm

JCE SAC Secretary
