**Principal's Report:**

Dr. Reichenberg welcomed everyone to today's meeting and shared how great it is to be a JCE Jaguar. Our students are off to a great start and adjusting very well to their new classroom environments. We have had several successful school events-Build a Jaguar and Cantina Louie School Spirit Night. Students are in the process of completing the first round of progress monitoring. Kindergarten through second grade students have finished both reading and math, and third through fifth graders are still testing in the area of math. JCE submitted our school improvement plan to the district, and Dr. Reichenberg will present our plan next month. We are excited to celebrate our students at our Good Jaguar Breakfast next week. Our positive behavior recognition system is going great. Students are rewarded each month based on the positive referrals they earn. Mark your calendar for the PTO Boo Bingo Event coming up on October 20<sup>th</sup> at 6:30 p.m. Finally, we will honor our students with a first quarter ROAR celebration at the end of the nine weeks. We are so proud of our students at JCE!
