Principal's Report:

Dr. Reichenberg welcomed everyone to the April SAC meeting. Life is certainly wonderful at Julington Creek! We just enjoyed our family-oriented Jag Jam on Saturday April 13th with over two thousand people on campus. The event was wonderful and enjoyed by all. Thank you to our PTO for their hard work, planning, and dedication to our school. We truly appreciate our wonderful volunteers for volunteering their time before, during, and after the event. We celebrated our amazing volunteers today at our annual Volunteer Brunch. It is a blessing to have such great volunteerism at JCE which certainly promotes that our school is a family. Today, our district is hosting the STEM Expo. Our amazing fifth grade teacher, Mrs. Thompson, accompanied some of our fifth-grade students to showcase their projects. We are proud of our amazing students. Dr. Reichenberg shared that we are in the process of class building for next school year. Parent input forms were emailed to all families to provide feedback to help with this important process. Furthermore, we are celebrating a great year with some special end of the year field trips. Finally, we are looking forward to honoring our fifth-grade leaders at the promotion ceremony at Creekside High School on Thursday May 23rd.

School Recognition Funds Ballot: Mrs. Foster shared the school recognition funds ballot to the SAC members in attendance. This ballot is the same that has been used the past few school years. If the ballot is approved by all stakeholders, it will be used for next school year if we receive the school recognition award. There was a motion to approve the ballot. The ballot was approved and will be shared with the qualifying staff members to vote on the approval of this ballot for next school year.

The meeting was adjourned at 3:44 p.m. by Mrs. Foster. Our next meeting will take place on Microsoft Teams or in person at 3:30 p.m. on May 15, 2024.

Respectfully Submitted,

Amy Grimm
