Principal's Report:

Dr. Reichenberg welcomed everyone to our January SAC meeting. We are certainly off to a great start to the new year. There are lots of opportunities for involvement, fun, and learning for our school community. Data chats are being held with teachers of third through fifth grade students at this time. These chats will continue for kindergarten-second grade teachers to ensure growth as well as implement high yield strategies for all students. Teams of teachers will have some vertical planning opportunities in February to help students apply the standards and seamlessly transition to different grade levels as they progress through JCE. We are looking forward to our VIP Paris themed dance sponsored by our amazing PTO on Friday January 24th. We will close out the month honoring our TOY-Ms. Vandevliet and ROY-Mrs. Marte. We are so proud of these wonderful teachers and how they invest in our students and school.

Old Business: Mr. Seal addressed the purchase of the fifth-grade cursive workbooks and the updated cost that was shared with all SAC members.

New Business: There was no new business to discuss at today's meeting.

The meeting was adjourned at 3:37 p.m. by Mr. Seal. Our next meeting will take place on Microsoft Teams or in person on February 26, 2025.

Respectfully Submitted,

Amy Grimm
