**Principal's Report:**

Dr. Reichenberg welcomed everyone to the SAC meeting. She shared an enrollment update. We have growth in fourth and first grades. Teachers have spent some time looking at progress monitoring two data to plan instruction for our students. Today, Ms. Steffan from the district came to walk the campus to do a fidelity check to ensure strong reading instruction. PTO sponsored a wonderful Under the Sea dance last Friday and last night our amazing kindergarteners had a wonderful winter concert with families. We are having a great start to the new year at JCE!

**Old Business:**

There was no old business at today's meeting.

**New Business:**

**Amendment to bylaws from the district office-**There must be a quorum of fifty percent of SAC members physically present at a meeting to present a vote. For the 2025-2026 committee, there will need to be seven of our thirteen members present, in-person, at the meeting where a vote will be taken. Members may still virtually attend meetings and participate in discussions. However, said members may not participate in the voting procedures while

virtually attending. Moving forward, JCE SAC chairs will announce in the emailed agenda of upcoming meetings when votes on proposals are planned. Please make very effort to attend those meetings in-person so the voting process is not postponed. Today, we ratified and approved all actions taken at prior meetings of the Julington Creek Elementary Student Advisory Committee for the 2025-2026.

The meeting was adjourned at 3:40 p.m. by Mr. Seal. Our next SAC meeting will take place on Wednesday February 25, 2026 at 3:30 p.m. virtually or in person in Ms. Landen's classroom.

Respectfully Submitted,

Amy Grimm

JCE SAC Secretary
