**Principal's Report:**

Dr. Reichenberg welcomed everyone to our March SAC meeting. We are excited to share lots of wonderful happenings at JCE. Our Goodies with Grands was held prior to Spring Break. It was a great connection activity with lots of excellent volunteer and business partner support. Teachers have been enjoying WOW Wednesday Sparkle Walks. Teachers have the privilege of observing other classrooms in different grade levels as an opportunity to learn from one another. We are gearing up for progress monitoring test three. Teachers are in the process of undergoing test training, and students are ready to show what they know. Dr. Reichenberg is planning for the upcoming budget meeting to the school district which will take place mid-April. This important meeting will help plan for staffing and funding for next school year. Calling all kindergarteners! Kindergarten registration is now open. There will be a kindergarten preview day for parents to watch current kindergarten students and teachers in action. Finally, in the next few weeks, parents will receive returning school verification forms. Please be sure to complete these forms as it is essential for classroom planning for next school year. Thank you for all you do to support our school.
