

# Kindergarten at JCE is the best place to be!

## **Welcome to Kindergarten!**

We are thrilled to welcome you and your little ones to an exciting new chapter in their educational journey! This year promises to be filled with fun, discovery, and growth as our young learners embark on their kindergarten adventure. We can't wait to explore new ideas, make new friends, and create lasting memories together. Please take a moment to review the important summer updates below to ensure a smooth start to the school year. Here's to a fantastic year ahead! 🌞

### **Meet the Teacher**

Mark your calendars! Our "Meet the Teacher" event is scheduled for Friday, August 7th. This is a wonderful opportunity for you to connect with your child's teacher and gain insights into the upcoming school year. To ensure a smooth and organized experience, you will receive an email on Tuesday, August 4th, from your assigned teacher. This email will also contain a Sign Up Genius link, allowing you to register for a specific time slot for the event. We encourage you to sign up promptly to secure a time that best fits your schedule.

### **Staggered Start for Kindergarten!**

- To ensure a smooth and personalized transition into the school environment, each student will have the opportunity to spend a full day with their teacher and a small group of classmates during the first week of school.
- This approach allows children to acclimate to their new surroundings in a more focused and supportive setting. Following this individualized start, all students will come together for their first full day as a class on Friday, August 14th. Keep an eye out for a letter arriving by the end of July, which will provide the specific date your child has been assigned for their staggered start. We're excited to welcome your child to this exciting new chapter!

Have you applied for School Access? Please ensure you have clearance to enter our building. Apply here:
